without my fully informed freely given consent and against my own god given free will, and absolute unambiguous explicit dissent, you knowingly, willingly, and intentionally compel me, by force of arms, into involuntary servitude of your jural society.

despite the fact that no man or woman among you possesses any first-hand knowledge that i have a legal duty or obligation, you knowingly, willfully, and intentionally fraudulently subject me, by force of arms, to legal duties and obligations of your jural society without my fully informed freely given consent and against my own god given free will and unambiguous explicit dissent.

I DEMAND FULL DISCLOSURE OF ACTUAL POSITIVE PROOF OF TRUE VERIFIED FACTS OF UNAMBIGUOUS EVIDENCE THAT I HAVE A LEGAL DUTY AND OBLIGATION.

IF NO ACTUAL POSITIVE PROOF OF TRUE VERIFIED FACTS OF UNAMBIGUOUS EVIDENCE IS PRODUCED THEN NO SUCH FACTS OF EVIDENCE EXIST AND THEREFORE NO LEGAL DUTY OR OBLIGATION EXIST.

I DEMAND A CERTIFIED COPY OF THE EQUALLY BENEFICIAL BINDING BILATERAL FULL DISCLOSURE CONTRACT WITH MY WET-INK SIGNATURE.

it is self-evident you have an moral and legal duty to respond and silence can only equal to fraud and estoppel.

"silence can only be equated with fraud where there is a legal and moral duty to speak, or where an injury left unanswered would be intentionally misleading." u.s. v. tweel, 550 f.2d 297,299 (1977), quoting u.s. v. prudden, 424 f.2d 1021, 1032 (1970).

"when circumstances impose duty to speak and one deliberately remains silent, silence is equivalent to false representation." fisher controls international, inc. v. gibbons, 911 s.w. 2d 135 (1995)

"when a person sustains to another a position of trust and confidence, his failure to disclose facts that he has a duty to disclose is as much a fraud as an actual misrepresentation." blanton v. sherman compress co., 256 s.w. 2d 884 (1953)

silence activates estoppel, pursuant to carmine v. bowen, 64 a. 932.

i have repeatedly stated on the record for the record that i am not Brian Douglas Roark.

i have repeatedly stated on the record for the record that Brian Douglas Roark is not my name.

i have repeatedly stated on the record for the record that Brian Douglas Roark is a fictitious name created by law, an ens legis juristic person.

i am the living soul of god within the living flesh and blood man of nature Brian Douglas Roark originates from.

Brian Douglas Roark is a counterfeit copy of me that is knowingly, willfully, intentionally, erroneously and fraudulently created under duress and coercion to incorporate me into an invisible, intangible, incorporeal, insolvent, bankrupt, civilly dead legal structure, without fully informed freely given consent, as an instrumentality of United States to perform commercial commerce on behalf of foreign bankers who are the receivers of the United States bankruptcy.

Nullum simile est idem. Nothing that is like another is the same. That is, no likeness is exactly identical.

you are, directly and/or indirectly, knowingly, willfully, and intentionally making fraudulent claims against the ens legis juristic person BRIAN DOUGLAS ROARK to generate revenue for United States on behalf of foreign bankers who are the receivers of the United States bankruptcy.

The former implies moral guilt; the latter may be consistent with innocence. Code Ga. 1882, § 3173. Actual fraud is otherwise called "fraud in fact." Constructive fraud is also called "fraud in law."

this is a fraudulent claim.

i demand you verify this claim as true, correct, complete, and certain.

i demand you require actual positive proof of true verified facts of unambiguous evidence of a verified valid claim.

i demand you require a certified copy of an equally beneficial binding bilateral full disclosure contract with both parties wet-ink signatures.

you will find that the party making the claim does not have a binding full disclosure contract with both parties wet-ink signatures.

you will find that the party making the claim has no actual positive proof of true verified facts of unambiguous evidence of a verified valid claim.

you will find that no man or woman will express the claim in writing with their own wet-ink signature and endorsement notarized under penalty of perjury.

you can review this email chain and see that i have been asking for proof of jurisdiction for over three years, and i have been asking for a certified copy of a binding full disclosure contract for over three years, and i have been asking for actual positive proof of true verified facts of unambiguous evidence of a verified valid claim.

1. Fictions were invented by the Roman praetors, who, not possessing the power to abrogate the law, were nevertheless willing to derogate from it, under the pretence of doing equity. Fiction is the resource of weakness, which, in order to obtain its object, assumes as a fact, what is known to be contrary to truth: when the legislator desires to accomplish his object, he need not feign, he commands. Fictions of law owe their origin to the legislative usurpations of the bench. 4 Benth. Ev. 300.
 - a. **PRAETOR**, Roman civil law. A municipal officer of Rome, so called because, (praeiret populo,) he went before or took precedence of the people. The consuls were at first called praetors. Liv. Hist. III. 55. He was a sort of minister of justice, invested with certain legislative powers, especially in regard to the forms or formalities of legal proceedings.
2. It is said that every fiction must be framed according to the rules of law, and that every legal fiction must have equity for its object. 10 Co. 42; 10 Price's R. 154; Cowp. 177. To prevent, their evil effects, they are not allowed to be carried further than the reasons which introduced them necessarily require. 1 Lill. Ab. 610; Hawk. 320; Best on Pres. §20.
3. The law abounds in fictions. That an estate is in abeyance; the doctrine of remitter, by which a party who has been disseised of his freehold, and afterwards acquires a defective title, is remitted to his former good title; that one thing done today, is considered as done, at a preceding time by the doctrine of relation; that, because one thing is proved, another shall be presumed to be true, which is the case in all presumptions; that the heir, executor, and administrator stand by representation, in the place of the deceased are all fictions of law.
